

bird in the hand to me is worth two in the bush. So I am going to oppose the Bereuter amendment and I would urge those Senators who support the concept of the political accountability commission, the sunshine bill, to oppose Senator Bereuter's attempts to strike this section.

PRESIDENT: Senator Frank Lewis.

SENATOR F. LEWIS: Mr. President, I rise to support Senator Bereuter in his efforts to transfer this to the logical place. I know that Senator Simon is concerned about this issue but certainly Senator Bereuter is above suspect in this particular case, and I will make that clear that I said in this particular case, so I think if Senator Bereuter feels that it would fit better in the Warner bill, which is specifically geared to that, that we ought to go along with that and make that possible.

PRESIDENT: Would you like to close debate, Senator Bereuter?

SENATOR BEREUTER: Mr. President, I would. The logical place for the sunshine act on planning commissions is in a bill that deals exclusively with that subject, LB 210, which you will see this afternoon. The only provision in an approximately sixteen section bill that relates to the sunshine act is section 13. The rest of LB 186 deals with procedural problems and, frankly, we may get hung up forever and not solve these problems unless we take the sunshine act out and put it where it belongs, take it out of this omnibus bill, the same amendments are pending that are now already found on LB 186. I ask for your approval of this amendment.

PRESIDENT: The question then is the adoption of Senator Bereuter's amendment. Record your vote. Have you all voted? Have you all voted? Record.

CLERK: 25 ayes, 3 nays on the adoption of the Bereuter amendment, Mr. President.

PRESIDENT: The amendment is adopted, Senator.

SENATOR BEREUTER: Mr. President, I move for the advancement of LB 186 to E & R Final.

PRESIDENT: You have heard the motion. All in favor say aye, contrary say nay. The bill is advanced. Do you have something to read in?

CLERK: Yes, Mr. President. Your committee on Appropriations gives notice of a hearing in room 1003 for the week of January the 24th. Mr. President, new bills. LB 913. Title read. LB 914. Title read.

PRESIDENT: Mr. Speaker.

SPEAKER LUEDTKE: Yes, Mr. President, members of the Legislature, I just want to ask if there are any Chairmen who have notices for committee hearings that they do not yet have in. Obviously, those we have not received, the bills you haven't received, that have not been referred, we can't have but get all the rest of them in so that we can get a Reference report in on the others as soon after lunch as we can. I believe Senator Marvel is planning on having a Reference Committee meeting real quickly right after we return so that
